Company Policy — Sample

Leave Entitlement

Full-time employees receive 18 paid annual leave days per calendar year. New employees receive a prorated entitlement based on their joining date.

Leave Request

Employees should submit a leave request through the internal HR portal at least three working days before the planned leave, except for emergencies.

Approval

Routine leave requests are approved by the employee's reporting manager. Extended leave may require HR review.

Remote Work

Remote-work requests should be submitted through the HR portal and approved by the reporting manager before the remote-work day.

Company Policy — Sample

Safety Incident Reporting

Any workplace safety incident or near miss should be reported to the supervisor as soon as practical and recorded through the safety reporting process.

Confidential Information

Confidential company information must only be shared with authorized persons who have a business need to access it.

Company Assets

Employees are responsible for reasonable care of company laptops, access cards, equipment and other assigned assets. Lost assets should be reported promptly.

Records Retention

Routine operational records should be retained for three years unless a longer period is required by a specific legal, contractual or company requirement.
